

**CURRICULUM VITAE**

**DR LEONG YEW PUNG**

MBBS (Monash), FRCS (Ed), FRCS (Eng)

**PERSONAL**

NAME :

Leong, Yew Pung

NATONALITY :

Malaysian

DATE OF BIRTH :

17th March 1954

PLACE OF BIRTH :

Kuala Lumpur

MARITAL STATUS :

Married with 2 children

HOME ADDRESS :

25 Jalan Balau,  
Damasara Heights,  
504900 Kuala Lumpur,  
MALAYSIA

OFFICE ADDRESS :

Suite 1-17 & 1-18,  
SUNWAY MEDICAL CENTRE,  
5 Jalan Lagoon Selatan,  
Bandar Sunway,  
46150 Petaling Jaya,  
Selangor, MALAYSIA

Tel: 603-7491 0133

Fax: 603-74910233

E-mail: [ypleong@sunway.com.my](mailto:ypleong@sunway.com.my)

## **ACADEMIC QUALIFICATION**

|            |   |               |
|------------|---|---------------|
| MBBS       | Monash University, Melbourne, Australia | December 1979 |
| FRCS (Ed)  | Royal College of Surgeons of Edinburgh  | March 1984    |
| FRCS (Eng) | Royal College of Surgeons of England    | January 1985  |

## **MEMBERSHIP OF LEARNED SOCIETIES**

1. Malaysian Medical Association
2. Acedemy of Medicine of Malaysia
3. College of Surgeons of Malaysia
4. Breast Cancer Welfare Association
5. Asian Surgical Association
6. European Society for Vascular Surgery
7. The International Society for Cardiovascular Surgery
8. International Society for Endovascular Surgery
9. Vascular Society of Malaysia (President)
10. Asian Society for Vascular Surgery (Past President)
11. International Society for Vascular Surgery (Council member)

## **PRESENT APPOINTMENT**

Dec 1999- present Consultant Vascular & Endovascular Surgeon

Sunway Medical Centre,  
Bandar Sunway, 46150 Petaling Jaya,  
Selangor

Jan 1995 - present Consultant Vascular Surgeon

Subang Jaya Medical Centre  
1 Jalan SS12/1A, Subang Jaya,  
47500 Petaling Jaya, Selangor.

## PREVIOUS APPOINTMENTS

- Jan 80 - Jan 81 Resident Medical Officer (Intern)  
Alfred Hospital,  
Melbourne, Australia
- Apr 81 - Sep 85 Senior House Officer / Registrar  
University Hospital & City Hospital,  
Nottingham, United Kingdom &  
City Hospital & Royal Infirmary,  
Derby, United Kingdom
- Oct 85 - Oct 91 Lecturer / Associate Professor (General and Vascular Surgery)  
Department of Surgery  
Universiti Kebangsaan Malaysia
- Jul 90 – Oct 90 Visiting Clinician (Vascular surgery)  
Mayo Clinic, Rochester, USA
- Oct 91 – Jun 00 Consultant Surgeon (Vascular and General Surgery)  
Tawakal Hospital, Kuala Lumpur.

#### PRESENTATIONS TO LEARNED SOCIETIES

1. Vascular surgery - Experience in UKM Combined Medical Meeting, Aug 1986, Kuala Lumpur
2. Abdominal aortic aneurysm surgery in Malaysia World Congress of Surgery, Sep 1987, Sydney
3. Carcinoma of the breast - A review of 140 cases Combined (Malaysia-Singapore) Medical Meeting, Oct 1987, Kuala Lumpur
4. Upper gastrointestinal endoscopy at a surgical unit Combined (Malaysia-Singapore) Medical Meeting, Oct 1987, Kuala Lumpur
5. Vascular surgical service at UKM - Experience in the first year Combined (Malaysia-Singapore) Medical Meeting, Oct 1987, Kuala Lumpur
6. Abdominal aortic aneurysm Combined (Malaysia-Singapore) Medical Meeting, Oct 1987, Kuala Lumpur
7. The management of abdominal aortic aneurysm - experience of a Vascular surgical service 21st Annual Combined Surgical Meeting, Nov 1987, Singapore
8. Critical ischemia of the lower limbs - Amputation or vascular reconstruction 3rd International Combined Scientific Meeting, Jul 1988, Kuala Lumpur
9. Omeprazole 20mg om vs Ranitidine 300mg nocte for duodenal ulcer - The Malaysian experience The 8th Asian-Pacific Congress of Gastroenterology / The 5th Asian-Pacific Congress of Digestive Endoscopy, Oct 1988, Seoul
10. Vascular reconstruction for ischemia of the lower limb(s) - Indications and results 22nd Annual Combined Surgical Meeting, Nov 1988, Singapore
11. Experience with abdominal aortic aneurysm - A study of 91 consecutive cases 7th Congress of the Asian Surgical Association, Feb 1989, Penang, Malaysia

12. Management of abdominal aortic aneurysm in a developing country - Review of results and management principles - 33rd World Congress of Surgery - International Surgical Week, Sep 1988, Toronto, Canada
13. Prevalence of peripheral vascular disease among patients with coronary artery disease 23rd Malaysia - Singapore Congress of Medicine, Oct 1989 Kuala Lumpur
14. Endoscopic injection sclerotherapy as effective treatment for bleeding esophageal varices 23rd Malaysia - Singapore Congress of Medicine, Oct 1989 Kuala Lumpur
15. Non-invasive evaluation of cardiac risk in patients undergoing abdominal aortic aneurysm surgery - predictive value of the Goldman Index 23rd Malaysia-Singapore Congress of Medicine, Oct 1989 Kuala Lumpur
16. Abdominal aortic aneurysm - Experience in Malaysia 24th Malaysia-Singapore Congress of Medicine, Sep 1990, Singapore
17. Surgery for atherosclerotic occlusive arterial disease - Experience in Malaysia 8th Congress Asian Surgical Association, Mar 1991, Fukuoka, Japan
18. Can we achieve zero mortality in surgery for abdominal aortic aneurysm ? 10th Biennial Congress Asian Surgical Association, Mar 1995, Bali, Indonesia
19. Carotid stenosis – Increase in incidence or better awareness ? 5<sup>th</sup> International Congress, Asian Vascular Society, May 2002, Singapore
20. Endoluminal Stent-grafts - Early results & Problems encountered 5<sup>th</sup> International Congress, Asian Vascular Society, May 2002, Singapore

## INVITED LECTURES

1. Arterial disease in Malaysia - 6th Biennial General Scientific Meeting, Association of Surgeon of South-east Asia, Feb 1987, Bangkok
2. Arterial disease - Local experience - Evening Scientific Meeting, College of Surgeon of Malaysia, May 1987, Kuala Lumpur
3. Arterial surgery - Malaysian Medical Association Meeting, Nov 1987, Seremban
4. Abdominal aortic aneurysm - Surgical Meeting (Malaysian Medical Association) Mar 1989, Johor Baru, Malaysia
5. Ruptured abdominal aortic aneurysm - Symposium on Emergencies in General Surgery Malaysian College of Surgeons Annual Scientific Meeting Jul 1989, Kuala Lumpur
6. Breast cancer - Public Forum - Diseases of the Breasts, Jul 1989, Kuala Lumpur
7. Breast cancer - Local experience - Symposium on Oncology 23rd Malaysia-Singapore Congress of Medicine, Oct 1989 Kuala Lumpur
8. Takayasu's Disease - Conference of the Kuring-gai District Medical Association, Jul 1991, Penang
9. An update on Vascular surgery Malaysian Medical Association Meeting, Aug 1991, Kuantan
10. The diabetic foot : Surgical options Vascular Disease Symposium - Vascular Disease Today Apr 1995, Singapore

11. Difficult Vascular Access for hemodialysis - 5th Urological Conference, Malaysian Urological Association Nov 1995, Genting Highland, Malaysia
12. Leg ulcer - Symposium on Wound Healing & Wound Care, College of Surgeons of Malaysia Dec 1995, Petaling Jaya, Malaysia
13. Abdominal aortic aneurysm – What's new ? - Scientific Meeting, College of Surgeons, Academy of Medicine of Malaysia 2000, Petaling Jaya, Malaysia
14. Ruptured Abdominal aortic aneurysm - 1st Sunway Cardiac & Vascular Conference, May 2001, Petaling Jaya, Malaysia
15. Venous thrombosis & the Economy class syndrome - 1st Sunway Cardiac & Vascular Conference, May 2001, Petaling Jaya, Malaysia
16. Leg Ulcers & Gangrenous Toes : How an early Vascular Opinion may prevent a Major Amputation - 2<sup>nd</sup> Sunway Cardiac & Vascular Conference, September 2002, Petaling Jaya, Malaysia
17. Endoluminal grafting of Abdominal aortic aneurysm – Current status - 2<sup>nd</sup> Sunway Cardiac & Vascular Conference, September 2002, Petaling Jaya, Malaysia
18. Chronic Ischemia - 3<sup>rd</sup> Sunway Cardiac & Vascular Conference, October 2003, Petaling Jaya, Malaysia
19. What is Endovascular Surgery ? - 3<sup>rd</sup> Sunway Cardiac & Vascular Conference, October 2003, Petaling Jaya, Malaysia
20. Considerations for Patient Selection for Endovascular Repair – Stent or Cut ? Cook Endoluminaries, November 2003, Penang, Malaysia
22. Combined Endovascular & Surgical Procedures in Lower Limb Ischemia - Asian Chapter Congress, International Union of Angiology, November 2003, HongKong
23. Vascular Anomalies - A Vascular Surgeon's Perspective 14<sup>th</sup> Biennial Congress of the Asian Surgical Association, December 2003, Kota Kinabalu, Malaysia
24. Surgical management & Outcome of Abdominal Aortic Aneurysm - Penang Peripheral Vascular Disease Conference, March 2004, Penang, Malaysia
25. Carotid Endarterectomy - Penang Peripheral Vascular Disease Conference, March 2004, Penang, Malaysia
26. Endoluminal Grafting of AAA – Current Status - Annual Scientific Meeting, College of Surgeons, Academy of Medicine of Malaysia May 2004, Petaling Jaya, Malaysia
27. Peripheral Arterial Disease - Challenging Under-Diagnosis & Under-Treatment - Annual Scientific Meeting, College of Surgeons, Academy of Medicine of Malaysia May 2004, Petaling Jaya, Malaysia
28. Peripheral Arterial Disease - Challenging Under-Diagnosis & Under-Treatment - September 2004 Kunming
29. Management of Ruptured Abdominal Aortic Aneurysms in Malaysia - 5<sup>th</sup> International Congress on Vascular & Endovascular Surgery September 2004, Beijing, China
30. Screening for Peripheral Arterial Disease - 4th Sunway Cardiac & Vascular Conference, October 2004, Petaling Jaya, Malaysia
31. Chest pain - Aortic Dissection & Thoracic Aortic Aneurysm 4th Sunway Cardiac & Vascular Conference, October 2004, Petaling Jaya, Malaysia
32. Abdominal Aortic Aneurysms -A Clinico-pathological study 6<sup>th</sup> International Congress, Asian Vascular Society November 2004, Bangalore, India

33. Surgical Resection of Abdominal Aortic Aneurysm - Current Status - National Heart Association, April 2005, Kuala Lumpur, Malaysia
34. Comment on Modern Management of Peripheral arterial disease – ‘ Essential TASC’ - The 4<sup>th</sup> Korea-Japan Joint Meeting for Vascular surgery & The 41<sup>st</sup> Annual Spring Meeting of The Korean Society for Vascular surgery April 2005, Jeju, Korea
35. Management of Ruptured Abdominal aortic aneurysm - 33<sup>rd</sup> Annual Meeting of the Japanese Society for Vascular Society June 2005, Asahikawa, Japan
36. Abdominal aortic aneurysm in Malaysia – Are we different from the West? - 47<sup>th</sup> Annual World Congress of the International College of Angiology July 2005, Uncasville, Connecticut, USA
37. Abdominal aortic aneurysm - 4<sup>th</sup> Hospital Kuala Lumpur Basic Vascular Surgery Seminar August 2005, Kuala Lumpur, Malaysia
38. Treatment of Abdominal Aortic Aneurysm - Why, When & How ? Penang Peripheral vascular Symposium, Aug 2005, Penang, Malaysia
39. Abdominal Aortic Aneurysms Aug 2005 HongKong
40. Clinical Experience in Endovascular surgery – Annual Scientific Session of Taiwan Vascular Society September 2005, Taipei, Taiwan
41. Experience with Ruptured Abdominal aortic aneurysm - 12<sup>th</sup> Annual Conference of the Vascular Society of India, November 2005, Thiruvananthapuram, India
42. Update Management of ruptured Abdominal aortic aneurysm (AAA) - 6<sup>th</sup> Asian Chapter Congress of the International Union of Angiology November 2005, Bangkok, Thailand
43. Results of Endoluminal grafting of Abdominal aortic aneurysm (Malaysia experience) - 6<sup>th</sup> Asian Chapter Congress of the International Union of Angiology November 2005, Bangkok, Thailand
44. Prolonging the life of Graft AV fistula by Balloon Angioplasty - 6<sup>th</sup> Asian Chapter Congress of the International Union of Angiology November 2005, Bangkok, Thailand
45. Impact of ABI screening as a predictor of atherothrombotic events Dec 2005
46. Chronic and critical limb ischemia: What are the criteria ? 2<sup>nd</sup> Asia Pacific Conference on Diabetic foot problems December 2005, Putrajaya, Malaysia
47. Management of Ruptured Abdominal Aortic Aneurysms (rAAA) January 2006 HongKong
48. Ruptured Abdominal aortic aneurysm 6<sup>th</sup> International Symposium on Vascular Surgery Update - February 2006, Riyadh, Saudi Arabia
49. Endoluminal grafting of aortic aneurysm - Preliminary results - 6<sup>th</sup> International Symposium on Vascular Surgery Update February 2006, Riyadh, Saudi Arabia
50. Endovascular Therapy as the First Option in the treatment of peripheral arterial disease –XXII World Congress of the International Union of Angiology June 2006, Lisboa, Portugal
51. President address : Endovascular surgery - An Asian perspective - 7<sup>th</sup> International Congress of the Asian Society for Vascular Surgery August 2006, Kuala Lumpur, Malaysia
52. Carotid endarterectomy & Carotid angioplasty in a low volume setting - 7<sup>th</sup> International Congress of the Asian Society for Vascular Surgery August 2006, Kuala Lumpur, Malaysia
53. Endoluminal grafting of Abdominal aortic aneurysm – Patient selection and Results – University Putra Malaysia Vascular Imaging Workshop September 2006, Putrajaya, Malaysia

54. Angioplasty vs Bypass for crural vessel occlusion in Diabetic Critical Limb Ischemia - Annual Scientific Meeting of Vascular Society Malaysia Mar 2007, Kuala Lumpur, Malaysia
55. Current status of Peripheral Arterial Disease in Malaysia - Asian Chapter Meeting of the International Union of Phlebology June 2007, Kyoto, Japan
56. Chronic limb ischemia – 6<sup>th</sup> Hospital Kuala Lumpur Basic Vascular Surgery Seminar, July 2007, Kuala Lumpur, Malaysia
57. Aortic aneurysms – Endovascular vs Surgery – The Pros & Cons - 5th Sunway Cardiac & Vascular Conference, Aug 2007, Petaling Jaya, Malaysia
58. Essentials for starting EVAR - Workshop on Endovascular Resection of Aneurysm, Sep 2007, Taipei, Taiwan
59. How to avoid fractures in SFA stents - Are absorbable stents the answer? - Asian Chapter Congress of the International Union of Angiology September 2007, Taipei, Taiwan
60. Progress of Endovascular graft exclusion for Aortic Dissection - Asian Chapter Congress of the International Union of Angiology September 2007, Taipei, Taiwan
61. Vascular Surgery - Current Situation in Malaysia 1st International Workshop on Thoracic & Abdominal Aortic Aneurysms, Mar 2008, Kuala Lumpur, Malaysia
